BROWER GIVEN PRISON TERM

Defendant Pleads Guilty, Waives Time For Sentence In Arraignment Monday

William Frederick Brower, 17, was sentenced to the term prescribed by law (five years to life) at San Quentin prison on Monday afternoon when he entered a plea of guilty to a charge of murder waived time and asked immediate sentence.

The court, receiving no testimony concerning the degree of the crime, determined that the murder was a crime of second degree.

Brower had appeared for arraignment on a murder charge found on Friday by the county grand jury, in Superior Court at ten o'clock this (Monday) morning.

The youth was without counsel and indicated by his remarks his intention to plead guilty to the charge. The court informed him fully of his rights and of the nature of the charge and of the punishment prescribed for the crime.

Proceeding with more than ordinary care in the case, Judge George H. Thompson felt that in view of the seriousness of the charge, the youth should have the advice of counsel although Brower stated he did not wish an attorney.

Accordingly, the court appointed Attorney T. S. Marlor and Attorney Thomas Maul to advise the youth and formal arraignment was begun and was halted at the point of time for entering the plea to the charge and court was then recessed to convene again at 3 o'clock in the afternoon.

Brower and the two attorneys retired to an ante-room.

The youth is charged with the murder of Frank Ernst, a prospector, whose body was found on the Middle Fork of the American River below Cock Robin Point, on or about July 11th

621 Known Dead In Hurricane

Half Million Property Loss And 100,000 Homeless, Toll In Wake Of Storm

BOSTON, (UP)—WPA administrator Harry L. Hopkins conferred today with New England governors on the task of rehabilitating 100,000 made homeless by last week's hurricane, tidal waves and floods, and repairing nearly a half billion dollars in property damage.

The death toll of New England's worst disaster neared 650.

Hopkins arrived last night after an airplane and automobile survey of the devastated area.

Already more than 200,000 WPA workers, state troopers, national guard, police, firemen and volunteers were clearing away the wreckage. As the broken wood and steel was trucked away, bodies were uncovered. Crippled communication lines still delay reports, but the latest compilation by United Press showed the following deaths by states: Rhode Island, 286; Massachusetts, 181; Connecticut; 66; New York, 63; New Hampshire, 14; Vermont, 6; New Jersey, 3; Quebec 2.

The spectre of famine was dissolved as truckloads of goods reached communities reporting shortages. In at least one town—Baltic, Conn.,—it was necessary to send food across a river in a breeches buoy.

Crowder Is Declared Sane In Hearing

Dick Crowder, held at the county jail under charges of burglary, was pronounced mentally competent following a hearing to determine his sanity held Saturday morning.

Charges against Crowder arise out of the burglary committed several months ago at the home of Frank Gardner, of Kelsey.

Miss Margaret Middendorff and Miss Pauline Watkins returned over the week-end from a week's vacation at Santa Cruz.

Forest Supervisor Edwin F. Smith and Arnold Weber and E. F. Kincade had important business at Berkeley Saturday afternoon.

LEGION CHIEF—Withdrawal of other candidates left Stephen F. Chadwick, Seattle lawyer, undisputed in the race for national commander of the American Legion, almost before the convention at Los Angeles got started.

ARSON ATTEMPT GUILT DENIED

Defendant Enters Plea Of Insanity And Trial Is Set For Monday, October 10th

Trial of Mrs. Anna Baer, charged with an attempt at arson in an indictment found by the county grand jury on Friday last, was set for Monday, October 10, at an arraignment in Superior Court Monday morning at which the defendant entered a dual plea of "not guilty and not guilty by reason of insanity."

Mrs. Baer, held at the county jail in lieu of bail set at $2,000, was represented by Attorney T. S. Marlor.

The charge against Mrs. Baer arises following her arrest on or about September 20 when she was taken into custody on the complaint of J. A. Shepard, a neighbor, who stated he had found her in the vicinity of the Shepard residence at an uncommonly early hour.

Other circumstances in connection with the arrest included the finding of a wad of paper stuffed under a section of the porch of the Shepard dwelling with a lighted match lying nearby.

Mrs. Shepard had discovered the presence of someone who later proved to be Mrs. Baer when she noted a sudden flare of light near the house and called her husband, who investigated and found Mrs. Baer, clothed in her nightgown, and detained her until the arrival of Sheriff George M. Smith.

A venire of thirty-five was drawn for possible service in the case. Members of the venire are:

John B. Hughes, Mattie Hoover, Henry Barton, M. N. Warton, Minnie Roberts, Elmer Francis, William R. King, H. M. Snell, Andrew Smith, Jacob Lowenstein, David Roberts, Henry Laughlin, R. E. P. Park, Robert J. Nelson, Theodore Thompson, Jessie I. Harris, Allen P. Barnes, Roy C. Arling, Frank H. DEMOLAY MEMBERS AT DIVISIONAL MEET IN ROSEVILLE

Eleven members of El Dorado Chapter, Order of De Molay, were at Roseville Saturday and Sunday, attending the regular divisional meeting of the order.

Saturday night there was an initiation, with the work put on by the championship Sacramento chapter team. The meeting was followed by dancing.

Sunday morning, following breakfast at the Masonic temple, the delegates attended church services in a body. In the afternoon a watermelon feed and softball game concluded the program.

From El Dorado Chapter the following attended, Elwin Scheiber, Kenneth Heffren, Arthur Hckwood, Harold Duden, Charles Colridge, Donald Cozens, George Buhlman, James Pierson, Stanley Barker, Drew Rossi and Bill Rideout.

Mrs. Helen Crystal and two daughters, of Berkeley, were here over the weekend to visit the former's mother, Mrs. Nellie Dormody.

H. S. CONTRACT BIDS ASKED

Offers On Major Unit Of Enlargement Project Will Be Opened By Board October 11th

A call for bids on the additions and alterations at the county high school, authorized by the voters through passage of a $95,000 bond issue last summer, was issued Monday by the governing board of the school.

The call states that the board will receive bids until 7:30 o'clock on the evening of Tuesday, October 11th.

The call is for bids on the major unit of the enlargement project, for which a preliminary contract for rough excavation has all ready been let.

The enlargement, to relieve overcrowding at the school, provides for additional class rooms, a new gymnasium and a dining hall.

It is unofficially reported that the new addition may be completed sometime in the Spring, but will not be available for use this year.

With an active enrollment of 569 at the school, it now appears that the enlargement, when completed, may be almost immediately filled to its capacity for use if the present trend of high school enrollment is maintained.

Bigler Admits "No Robbery"

Sheriff Reports "Victim" In Mosquito District Case Eliminated Crime Angle

The mystery of the assault and robbery in the Mosquito district reported ten days ago by Bert Bigler, of Lodi, formerly employed at Pino Grande, was solved last Saturday when Bigler admitted to Sherfif George M. Smith and Deputy Ralph Jones that he was neither robbed nor assaulted.

This is according to a statement Monday morning by the sheriff who said case is closed as far as his office is concerned "since the local crime angle has been eliminated."

Bigler had reported being assaulted and robbed of effects and his car. The car later was found, a wreck, six hundred feet off the Chile Bar-Mosquito road about 2 miles from the point of its junction with the Georgetown road.

"I didn't ask him what the idea was of putting up a story on the case," the sheriff stated. "We were interested in solving the crime if a crime had been committed and when we pinned him down, he admitted no crime had been committed.

"I suppose he will have to settle with the insurance company about the car."

MRS. LOUISE RUMAN OF MICHIGAN BAR DIED ON FRIDAY

MICHIGAN BAR.—Mrs. Louise Ruman, 89, one of the oldest residents of Sacramento county, died in her home Friday.

Born in Mansfield, Ohio, Mrs. Ruman came to California in 1853 by way of the Isthmus of Panama. Her parents, Peter and Elizabeth Yager, first settled in Drytown, Amador county, and moved to Michigan Bar in 1865.

Peter Yager was owner of a brewery here for a number of years, and later moved to Folsom.

Mrs. Ruman married C. A. Ruman in 1867, and resided here until her death.

Surviving are two sons, C. B. Ruman of Michigan Bar and Peter F. Ruman of Sacramento.

Services were held at 1 p. m. Monday in the Miller and Skelton chapel, 1015 20th Street, Sacramento. Burial was at Odd Fellows Lawn.

FARM BUREAU DIRECTORS MEET TUESDAY NIGHT ON LEGISLATION

A meeting of the directors of the county Farm Bureau will be held at the Farm Advisor's office Tuesday night to consider matters relating to legislation and to membership.

County President James A. Irving will preside over the meeting, which marks the resumption of the regular schedule of meetings each month for the directorate.

U.S. CABINET SUMMONED

Sudeten Annexation Is "Last Territorial Demand In Europe," Says Nazi Chief

BERLIN, (UP)—Hitler tonight shouted a warning to the world that the Czechs must surrender Sudetenland by October 1 or Germany will take it.

Pres. Benes, he said, now has the "choice between war and peace."

Hitler told the world in a speech taken to indicate whether the immediate future of central Europe will be one of peace or catastrophe that annexation of Sudetenland is "my last territorial demand in Europe but it is point on which I will not yield."

Italy will stand with Germany, he declared. He expressed sympathy for the Pole, Hungarian and other minorities in Czecho-Slovakia and charged that Pres. Benes lied in his statements regarding the treatment of minorities in that country.

CABINET CALLED

WASHINGTON, (UP) — President Roosevelt has summoned the cabinet to meet with him at 2 p. m. tomorrow, the White House announced today, explaining that the session was ordered "because of the existence of a situation."

The cabinet ordinarily meets on Friday. The session was called, it was generally felt, for a thorough exploration of the critical European situation.

$20,000 Ranger Station For Lake Valley Being Built

Project Contemplates Year Around Occupancy And Will Be Completed Under Local Supervision Using Employed Skilled Mechanics With CCC Labor, Says Supervisor

The foundation has been poured on the first unit of a new ranger station at Lake Valley which will be built by Eldorado Forest at an estimated cost of $20,000.

Forest Supervisor Edwin F. Smith, in revealing Monday morning that work is under way, stated that the new plant is being erected on a five-acre site adjoining the present station which was acquired from C. G. Celio and Sons several years ago. It also adjoins the site of the projected new Lake Valley airport.

The ranger station will be erected using CCC labor with employed skilled mechanics and will be completed over a period of several years.

The first unit, on which the foundation has been poured, is for the station office, which will be a one-story structure of three rooms with an overall measurement of 18 by 40 feet.

Other units in the new station plan provide for a residence for the ranger and family, a barracks for fire suppression crew and a warehouse to supply the needs of the district.

The exterior finish of the entire plant will be of wood and designed to harmonize with the surroundings.

Similar projects have been undertaken and completed in earlier years on the Georgetown, Pacific and Lumberyard districts and the completion of the work outlined in Lake Valley will mark the modernization of all district ranger headquarters on Eldorado Forest.

RAINBOW GIRLS ATTEND MEETING SATURDAY AT AUBURN

Approximately seventy members and friends of Placerville Assembly, Order of the Rainbow for Girls, were at Auburn Saturday evening to attend a meeting with the Auburn Assembly at which the Grand Worthy Advisor, Miss Eleanor Reedy, of Sacramento, paid her official visit to the two groups.

The Auburn Assembly, recently instituted under the supervision of the Placerville Assembly, received its charter and an additional feature of the meeting was the presence of Marilyn Rupley, of Placerville Assembly, who is grand drill leader of the order this year.

Under the guidance of Mrs. Wilna Larson, Mother Advisor, the members of Placerville Assembly went to Auburn during the afternoon for rehearsals. In the evening, festivities were inaugurated by a banquet followed by the official visit of the Grand Worthy Advisor and the presentation of the charter. At the close of the meeting, refreshments were served.

CHIMNEY SWEEP STRICKEN FRIDAY AFTERNOON AT DIAMOND SPRINGS

John E. Smith, 55, for the past fifteen years a chimney sweep who traveled a circuit between Placerville and Fresno, died Friday afternoon at Diamond Springs of a heart attack.

The funeral services were held on Monday afternoon from Memory Chapel, Rev. Harold Morehouse officiating. Interment was at Diamond Springs.

Mr. Smith was a native of Michigan who left home at the age of 13 years and made his own way in the world. He had never discussed his personal affairs to any extent and virtually nothing is known of his surviving relatives except that he is survived by his wife, Mrs. Maude Smith, of Diamond Springs.

Mr. Smith had a rather wide acquaintance which he had earned by the excellence of his work as a chimney sweep.

ANNUAL LUNCHEON OF SHAKESPEARE CLUB ON TUESDAY

Members of the Shakespeare Club report that plans are complete for the annual club luncheon, first major event of the club year, which will be held Tuesday at the clubhouse.

In addition to playing host to dignitaries in women's club activities in the state at large and in the Northern California district, the club will have as its guest soloist Mrs. Gladys Schildrick Morrow, whose pleasing soprano voice and charming personality have assisted the club previously.

Mrs. Morrow, a graduate of a Canadian school of music, is now a resident of El Dorado county and members of the luncheon committee state that the club feels especially fortunate in having her to assist with the luncheon program on Tuesday.

Mr. and Mrs. Enevold Peterson, of Placerville , are the parents of a son, Michael Enevold Peterson, born September 23 at Placerville Sanitorium, according to a certificate filed Monday with Recorder Charles Marsh. Mrs. Peterson is the former Helen Smith.

Council Opens Filter Bids

Special Meeting Tonight May Also Advance Proceedings Looking To Sewer Addition

At an extra session of the city council tonight bids will be opened on the contract to complete additions to the Placerville water system treatment plant.

Funds for the project will come from the city treasury in co-operation with an approved application for a PWA grant to assist in carrying out the project.

It is presumed that the Council will, as it has formerly, agree on the lowest and most acceptable bidder and will recommend his approval by the PWA.

Other business which the meeting may take up is the matter of completing the Cedar Ravine and Emigrant Ravine sewer lines, a part of the municipal sewer improvement project, and for which an amended grant was recently approved by the PWA.

It was believed Monday morning that the Council might authorize engineers to prepare plans and specifications on the two units at tonight's meeting, and possibly look forward to making a call for bids at the regular meeting on October 3.

Irwin Company Sued Under Attachment

Suit was filed Saturday in Superior Court by Albert J. Rupley against the J. A. Irwin Company, asking judgment for $1,754.81 of which $80.84 was for labor and the balance for supplies claimed to have been furnished by the defendant.

Dr. and Mrs. L. J. Anderson, Mr. and Mrs. George E. Faugsted, Otto Perschke, Mr. and Mrs. Mance H. Vaught and Mr. and Mrs. F. A. Peterson returned over the weekend from Los Angeles where they attended the state and national conventions of the American Legion. They report that Mr. and Mrs. Earl Chesmore, former residents here, also were in attendance.

Carelessness ☞ Starts Fires

One of man's worst enemies is fire. The United States Forest Service reports that the number of fires in California's eighteen national forests has reached the 1300 mark for the season.

Despite an increase of several hundred lightning blazes over the number for the same period last year, Uncle Sam's rangers look with pride on their tabulations actually showing a decrease of forest fires caused by man's carelessness. This growing respect for Nature, commend the foresters, is a tribute to the outdoor public represented annually by over four million national forest vacationists in California.

But the fight against forest fire isn't over yet. Extra precautions have become necessary during Indian summer days when motorists, hunters, fishermen and campers invade dry forest lands en masse.

Forest destruction at the hands of the cigarette flipper, the careless camper and incendiary have all been placed in one category—man-caused fires. The forest service is out to clean up these enemies of forest, field and mountain. By their drive against human agents of destruction rangers some day hope to make 'man-caused' an unusual entry in forest fire records.

Don't Be a Flipper

THE Book Mark

By JANE VOILES

Newspaper headlines are none too reassuring these days. As individuals we should face the situation squarely and do a little serious thinking. The very best book we know to help in the thinking process is the "Poltical Guide" by radio commentator Dorothy Thompson.

Intelligent people want peace, Miss Thompson asserts, but to want it isn't enough. We should know what ideas are prompting the actions of European nations. In her recent trips to Europe, Miss Thompson discovered that little ten-year olds in Germany are facing words like these: "You were born to die for Germany," that six-year olds in Italy march in military drill in their black shirts and that Russian kindergarteners are taught to adjust gas masks. In the face of these actions the United States cannot bury its head in the sand and babble: "Peace, it's wonderful." Miss Thompson is for taking a firm stand. "We want no war," she declares, "but we shall not be blackmailed nor condone violence in others."

In a democracy men live their own lives provided thay don't do it at the cost of others. Man's chief business is neither to worship the nation nor make an idol of the working class but to improve himself and respect his neighbor. The ideal is liberalism with power divided rather than concentrated. According to Dorothy Thompson liberalism means the cherishing of freedom of speech, conscience and of action, "limited by one thing, the protection of the freedom of others." The liberal spirit cares for people not as producers, consumers or voters but as human beings.

You may not agree with everything Miss Thompson says in her book, but the book will help you to formulate your own ideas.

Since the nudists aren't converting us as rapidly as they thought they would, clothes continue to occupy the average woman's interest and "Designing Women" by Margaretta Byers will supply the average woman with a valuable idea or two. Miss Byers knows her clothes market and like Miss Hawes of the now famous "Fashion is Spinach," her chief idea is to put becomingness first and fashion second. The book covers these essential points: the principle of design that covers the art of dressing, rules that determine the etiquette of dress, and hints on wardrobe planning.

Our favorite chapter is the one entitled "Dressing in Tempo." It's all very well for the psychologists to tell us not to indulge in wishful thinking but if you don't go to movies and don't read detective stories, you must have some outlet and here is a good one. If you have been canning fruit all morning arrayed in a coy little number that was fashionable five years ago or if you have been cleaning the hen house in overalls, you will enjoy this same all the more. Miss Byers analyzes types in this chapter and you can choose the type you fall into. Are you the coquette type like Billie Burke or Lily Pons, the sophisticate like the Dutchess of Windsor, the romantic like

Santa Claus Prepares For Foreign Tour

FREMONT, O., (UP) — A premature Christmas spirit was evidenced here as 25 gaily colored bags containing Christmas gifts were mailed to the National Red Cross headquarters in Washington.

They will be shipped to United States soldiers in foreign service, and will be delivered Christmas. Each bag contained a knife, antomatic pencil, washcloth, soap, toothbrush, toothpaste, talcum powder, stationery, playing cards and a pocket-sized diary.

"Back To Farm" Move Hits Toledo

TOLEDO, O., (UP)—"Back to the farm" movement of industrial workers has decreased the population of greater Toledo 5,466 from last year, according to the 1938 city directory.

The population shown by the directory, just issued, is 342,526—about equal to the 1936 estimate.

Mr. and Mrs. J. G. Hearn have returned from their annual vacation and Joe is again attending to his duties as telephone company manager.

Laborers receive straight time for Saturday mornings.

One and one-half time shall be paid for work on Sundays, legal holidays, or for overtime, except as otherwise above mentioned.

Plasters, bricklayers, lathers and hod-carriers are to start work at 8:00 A. M., and work continuously as other crafts for 6 hours, providing further that a committee be appointed from the Conference Board to act in determining the portion of emergency in relation to the 6-hour crafts necessitating an 8-hour day and further that when 20% of the working members are idle, a 6-hour day be resumed.

The foregoing schedule of per diem wages is based upon a working day of eight hours. The hourly wage rate prescribed hereinabove is the per diem rate, divided by the aforementioned number of hours constituting a working day.

It shall be mandatory upon the contractor to whom the contract is awarded, and upon any subcontractor under him, to pay not less than the said specified rates to all laborers, workmen and mechanics employed by them in the execution of the contract.

Notice is also hereby given that all bidders may submit with their bids, a sworn statement of their financial responsibility, technical ability and experience. Such sworn statement may be required to be furnished before award is made to any particular bidder.

Each bid shall be made out on a form to be obtained at the office of the Architect, Harry J. Devine, Cronan Bldg., Sacramento, shall be accompanied by a certified or cashier's check or bid bond for 5% of the amount of the bid made payable to the order of the Board of Trustees of the El Dorado County High School District, Placerville, California; shall be sealed and filed with the Clerk at the El Dorado County High School on or before **October 11, 1938**, at 7:30 o'clock (P. M.) and will be opened and publicly read aloud at or about 7:30 o'clock (P. M.) of that day in the El Dorado County High School, Placerville, California.

The above mentioned check or bond shall be given as a guarantee that the bidder will enter into the contract if awardd to him and will be declared forfeited if the successful bidder refuses to enter into said contract after being requested to do so by the Board of Trustees of the El Dorado County High School.

The Board of Trustees of the El Dorado County High School RESERVES the right to reject any and all bids or waive any informality in the bid.

No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening thereof.

Placerville, California, 1938.

Signed, LEO N. ENCH,
Clerk, Board of Trustees El Dorado County High School.

SOLONS MEET SEALS IN FINALS OF COAST LEAGUE PLAY-OFF

BY UNITED PRESS

History was repeated in the Pacific Coast League today as the pennant winning Los Angeles Angels and the runnerup Seattle Rainiers were dropped out of the post-season playoff series, leaving the finals to the Sacramento Solons, who finished third in regular season play, and the San Farncisco Seals, who just got into the playoff by a half game hold on fourth place.

Last year Sacramento finished first in the regular season only to lose out in the semi-final of the playoffs.

Sacramento and San Francisco begin play tomorrow night for the major purse, $5000 for the winner of the best four out of seven series and $2500 for the loser. After three games in Sacramento, the series shifts to San Francisco.

4 Tots Burn To Death In Farm Fire

GRAND RAPIDS, MICH. (UP) — Four children were burned to death today when trapped in their beds by a fire that destroyed their farm home. The tragedy occured while the parents, Mr. and Mrs. Roscoe Hazelton, attended a party in a neighbor's home. The dead were Doris, 10; Anna, 8; Josephine, 4, and William, 6.

Suicide Suspected As Slayer Of Six

ELMENDORF, TEX (UP)—Officers were certain today that Joe Ball, 46, had used his hatchet to kill perhaps half a dozen more women as ruthlessly as he did Hazel Brown, pretty young hostess at Ball's roadside tavern.

At least six women were known to have had "affairs" with ball and then to have disappeared, just as Miss Brown did. Yesterday Miss Brown's body was taken from a shallow grave along the banks of the San Antonia river, almost 24 hours after Ball had taken his own life by putting a bullet into his heart.

New L. A. Mayor Takes Office Today

LOS ANGELES (UP) — Superior Judge Fletcher Bowron took over the office of Mayor today from Frank L. Shaw, first Mayor recalled in the City's history.

Bowron was elected as the candidate of "reform" forces who brought Shaw's recall on charges that his administration received support from the underworld.

Two Die In Gun Duel At Twelve Paces

RIVERSIDE (UP) — Two men who aimed guns at each other, 12 feet apart, were dead today, each bored by the other's bullet.

Jesus Garcia, who fled after stabbing another man, and Frank Jones, member of the posse that hunted him, were killed in the point blank duel that occurred late yesterday at the tiny Gypsum mining hamlet of Midlands on the desert.

Britain Concentrates Forces In Orient

SHANGHAI (UP) — A regiment of British seaforth highlanders was ordered to Hong Kong today on four hours notice. Informed persons said that six british battalions were reinforcing the Hong Kong garrison.

All British warships in eastern waters are now concentrated at Hong Kong.

On this finding, proceedings in the matter were instituted in the juvenile court last Thursday, at which time Judge Thompson found from testimony presented that the nature of the crime and the previous record of the accused made is advisable to proceed under the general law of the state rather than under the juvenile court law.

Following this finding, the matter was presented to the Grand Jury on Friday and a true bill was found. ?

Greta Garbo, patrician like the Duchess of Kent or Lynn Fontanne, exotic like Marlene Detrich or Tallulah Bankhead, gamine like Katherine Hepburn? Once you have determined your type, you can go shopping to one of the famous dressmakers who creates just for you.

If you are patrician or sophisticate, Hatty Carnegie of New York is the girl for you and since Hatty goes in for richness as if money were no object, you can let yourself go. If you are coquette or gamine consult Chanel who, by the way, practically invented the modern sports model. Norman Hartnell a London designer is famous for the English garden party type of frock, while the designs of the American Huriel King are conservative and adaptable for the older woman. Elizabeth Hawes of Spinach fame is well known for her tweeds. Molyneux (Captain Henry Edward) Miss Byers tells us, has the army officers passion for superb tailoring. He makes his clients look like "ladies." Schiaparelli is primarily a sophisticate who stops at nothing from the Duchess of Windsor's celebrated lobster print to a print suggested by the scattered pages of a love letter.

Miss Byers gives the man's angle on sport clothes and the verdict is—the better a woman's figure, the worse she looks in trousers. Of course, Dr. Mary Wadked thought trousers more modest than skirts. So do the Chinese who Miss Byers reminds us dress their women in trousers and their men in skirts.

"Designing Women" by Margaretta Byers is already ahead of "Fashion is Spinach" in the best seller list.

"YANK AT OXFORD" ENDS 2-DAY SHOWING AT EMPIRE TONIGHT

For the second time this year, and also for only the second time since 1923, Oxford won its annual boat race from Cambridge on the Thames.

Dense crowds lining the edge of the river cheered enthusiastically and ran along the bank as down the broad waterway the two crews swept in a last desperate spurt past the finishing post. Cheers greeted the result of this great world sporting event. Oxford won by half a length.

But if you'd looked closer you would have seen a complete production crew with two cameras in a launch, following the shell containing Robert Taylor as the stroke of the Oxford eight. An assistant director with a megaphone directed the cheering and the movements of the crowd on the bank. The re-enactment of the boat race—four months before it is really due again—was for the exciting finale of "A Yank at Oxford," which closes a two-day showing at the Empire Theater tonight.

BEARS, BRUINS, OREGON UNIVERSITY FOOTBALL STAND-OUTS

SAN FRANCISCO, (UP)—The Pacific coast conference football race was wide open today as the eight teams prepared for the second week of a season which started disastrously for four of them.

While experts were hastily revising their predictions as a result of opening day results, California, the 1937 champion, and U. C. L. A. stood out most prominently, with University of Oregon a possible dark horse.

Scores of weekend games in which Pacific coast conference teams figured include: California 12, St. Mary's 7; Alabama 19, U. S. C. 7; Minnesota 15, Washington 0; Oregon 10, Washington State 2; Idaho 13, Oregon State 0; U. C. L. A. 27, Iowa 3.

Birth of a daughter, Carla Soracco, of Placerville, at Placerville Sanitorium on September 20 is recorded in a certificate filed Monday with Recorder Charles Marsh.

REQUIREMENTS RAISED

SAN FRANCISCO, (UP)—The city's "finest" are to be appointed hereafter more on a basis of brains than of muscle. Among other things, each applciant for police jobs must have had at least a complete high school training.

GOOD LIGHT
was never so cheap

Better Light for Better Sight is now within easy reach of every home—thanks to the low electric rates in California—new low prices on light bulbs in Better Sight sizes—and the new *Certified Better Sight Lamps.*

Now good light can help every family avoid the dangers indicated in these figures: One child in five in our public schools, 40 college students in a hundred, and half the people over 35 have defective vision—much of which is due to poor light.

Now every child may have sight-saving lighting for reading and study so that young eyes may develop normally. Now every grown-up may have the right kind and the right amount of lighting to reduce eyestrain and make seeing easier.

New *Certified Better Sight Lamps* make it possible to have scientifically correct lighting for every seeing purpose. Every child should have a *Certified* table lamp, like the one shown above, which gives a wide spread of smooth, glareless lighting to save eyestrain and help young eyes see easily.

This need not be expensive, for *Better Sight Lamps* are offered in many different models, at prices to fit every pocketbook. The bridge model, shown at left, for example, may be placed beside the easy chair to provide good light for reading. Wall bracket model, shown at right, makes an excellent lamp for reading in bed. Other types may be selected to meet varying needs. Begin to Light Condition your home with *Better Sight Lamps.* You will add beauty and charm, and take a long step toward conserving eyesight.

Another development that makes it easy for every home to have Better Light for Better Sight, is the new Light Meter, which measures light as readily as a thermometer measures heat. Why not have the lighting tested in your home? It is a free service—there is no obligation.
